Media Release

For Immediate Dissemination

March 23, 2020

Putnam County Illinois – In response to the ongoing COVID-19 pandemic, Putnam County Board Chairman Steven Malavolti issued a disaster declaration to support the county's effort today, March 23, 2020.

While at this time Putnam County does not have a positive case of COVID-19 these declarations will allow for a unified and coordinated response to this crisis. These declarations enact the Putnam County Emergency Management's emergency operations plan and unlocks access to resources, equipment, and personnel; while granting emergency powers that maybe necessary to coordinate the County's response.

Questions should be directed to the Putnam County Emergency Management Coordinator at (815) 878-7415.
