

**OFFICIAL PUBLICATION OF
REAL ESTATE ASSESSMENTS FOR 2017
PUTNAM COUNTY**

The following is a list of real estate assessments all townships for the 2017 assessment year. These assessments have been made by the township assessor and revised or corrected by the Supervisor of Assessments. This publication is made in accordance with Section 12-10 of the Property Tax Code.

Granville Township

Public notice is also hereby given that according to Section 9-205 and 9-10 of the Illinois Revised Statutes, no factors have been applied.

The assessed values shown below have been equalized by the above factors and are subject to any Board of Review or State equalization to bring locally assessed values to 33-1/3 percent of market value.

The Median Level of Assessments: 33.33%

To determine if your residential, commercial, industrial, farm home site, or farm home is accurately assessed, divide your assessment by .3333. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over assessed. If the resulting value is less than the estimated fair cash value of your property, you may be under assessed.

You may appeal your assessment to the Board of Review within 30 days of this publication. Complaints must be filed in writing. Forms and rules for filing a complaint are available in the Office of the Supervisor of Assessments located at the Putnam County Courthouse, 120 N. Fourth Street, Hennepin, Illinois, Monday through Friday, from 8:30AM to 4:30PM and on the county website at www.co.putnam.il.us

Assessment complaints cannot be accepted after 4:30 PM on Thursday August 10, 2017.
